Opening hatches

ADDITIONAL CRUISING GEAR

Above-deck equipment

Bedding, linens and galley equipment

Safety equipment

The Sunsail 38

The new Sunsail 38, two cabin - 1 head is aimed at the very heart of the sailing market and boasts many unique features and benefits for sailors everywhere. Designed by Marc Lombard, she follows the renowned Sunsail 41 in being easy to handle, while having excellent performance at sail.

The headsail and mainsail sheets are lead back to primary winches on both sides in easy reach of the helms person. All lines are lead back to the cockpit under the coach roof for a clean and uncluttered look that also makes moving about on deck that much safer.

The spacious cockpit with voluminous lockers, twin wheels and large folding table is ideal for entertaining, whilst below is bathed in light from the opening ports and flush hatches. The high end contemporary interior on the Sunsail 38 will appeal to the most discerning owner.
